

## ***Welcome To National History Day***

*National History is run by Mr. Sweeney, a history teacher in the middle school, and Mrs. Bachelder, a history teacher who works at the Dingman Delaware Middle School. Mr. Sweeney and Mrs. Bachelder have done National History Day for over 25 years. Mr. Sweeney has been a judge in the regional and statewide competitions.*

*National History Day is a national competition based on projects that are done on a certain theme. This year's theme is *Communication in History: The Key to Understanding*. You can do a documentary, a skit, an essay, or create a board. You get to pick your topic and what kind of project you would like to do. You will also have the option to do your project with other members of National History Day.*
