I give permission for my son/daughter to participate in the after-school homework club program on Mondays and/or Wednesdays. I fully understand the program runs from 2:45 to 4:50 p.m. on Mondays and/or Wednesdays. **I will arrange to either pick my child up at the school or have my child ride the 5:00 p.m. late bus.** Parents should be aware that if homework club is cancelled, they should have an alternate arrangement for earlier pick up of their child.
