

Creating your SLO (Student Learning Objective)

Teacher Creates SLO

Select supervising administrator and create SLO and work through the various tabs to complete your SLO and submit to your supervising administrator.

1. Classroom Context
2. Goals
3. Performance Measures
4. Performance Indicators
5. Teacher Expectations

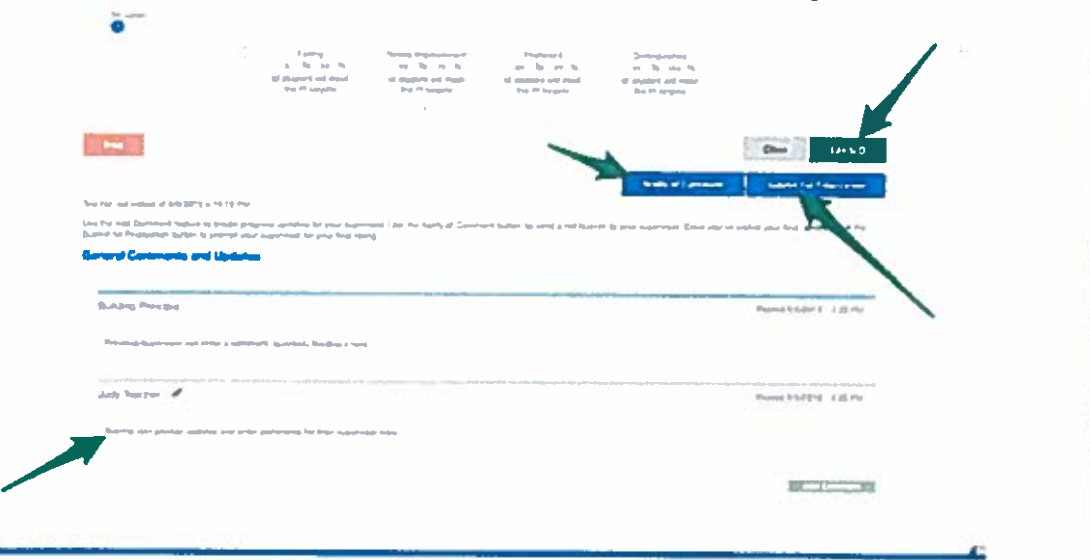

Administrator will provide feedback as appropriate.

Following administrative approval provide SLO data updates as appropriate.

When SLO data has been collected submit to administrator for final SLO rating.

Once completed by administrator review final rating and comments.
