

DV Model UN

What is Model UN?

Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students typically roleplay delegates to the United Nations and simulate UN committees. This activity takes place at MUN conferences, which is usually organized by a high school or college MUN club. At the end of most conferences, outstanding delegates in each committee are recognized and given an award certificate; the Best Delegate in each committee, however, receives a gavel.

Meetings: Model UN will typically meet one to two times a month depending on upcoming conferences. Meetings are typically in R17 or R18 and meet from 3-4:30. In the past few years we have attended one or two conferences over the course of the year. This year will be unprecedented as we are planning on participating in our first ever virtual MUN conference. Meetings will include assignment and research of selected MUN countries. Drafting of resolutions and simulations of MUN debates.
