Using Aesop Successfully

Proactively fill your schedule*

Aesop offers you the flexibility to proactively search for jobs and fill your own schedule the way you want. To help you benefit most from automated substitute placement, Aesop offers you both phone and web services for finding and accepting jobs. Substitutes can call in to Aesop toll-free at 1-800-942-3767 or log in online at www.aesopeducation.com.

Manage your preferences

With Aesop, not only can you plan your schedule ahead of time, but you can also choose Non-Work Days, specify preferred schools* and adjust call times to fit your schedule. You can also view work history and receive phone and e-mail notifications of available jobs.

Find out about available jobs

Aesop notifies substitutes of available jobs they qualify for. Most employee absences are entered the day before the absence occurs, but they can enter their absences very far in advance. Depending on the district's settings, substitutes can discover available jobs days, weeks, or even months in advance.

Aesop can alert substitutes to new jobs through both phone and e-mail* services. Substitutes can then choose to accept or reject the assignment.

Some districts have opted to not allow a sub to cancel a job too close to the start time and then accept another job on the same day.

When this is the case if you cancel a job too close to the job's start time Aesop will automatically generate a Non Work Day. This will prevent you from accepting other jobs for an amount of time.

This Non-Work Day cannot be deleted

Phone Services

Answering an Aesop call

When Aesop calls, your Caller ID will probably show 1-800-942-3767. Occasionally, it may display a school district name, depending on how the phone company handles the 800 number. The important factor is the number. If the phone number is Aesop's 1-800 number, it is a call about a job in a district you work in.

Answer the phone with a "hello." You must speak into the phone. Aesop is voice activated and will hang up if it does not detect your response.

If you hang up on Aesop, or if Aesop gets your answering machine/voice mail, the system will wait at least an hour before calling you back.

Listening to the notifications and available assignments

After you answer the phone, Aesop will say: "Hello, I am calling for (your name). If you are interested in a job today, please press **1**. To prevent further calls today, please press **2**. If the substitute that I'm trying to reach is unavailable, please press **3**. To prevent Aesop from ever calling you again, please press **9**."

Press the appropriate key in response, in this case, press 1 to hear about the job(s).

Aesop will then say: "I'm calling on behalf of (school district), for an assignment at (school). Please enter your PIN Number, followed by the # key.

After you enter your PIN and press the # key, Aesop will play any Substitute Notifications, such as canceled absences and changed start or end times.

For each available assignment, Aesop will provide the details, including the number of days of the assignment, the school name, the name and title of the absent teacher, the start and end times and the room or office to report to.

Responding to the offer

After you have heard the details of the assignment, you will be prompted to choose **1** to accept the job, **2** to hear it again, **3** to reject it but allow further phone calls, or **4** to reject the job and prevent more calls that day.

If you accept the job and no other substitute has accepted the job in the meantime, Aesop will read the Confirmation Number. If you reject a job, Aesop will still call you back, even within 15 minutes, if other jobs need to be filled.

NOTE: Aesop will not leave details of jobs or notifications it was calling you about on an answering machine/voicemail. If you miss a call, you can always call right back into Aesop and hear that same information if it is still available at the time you call back in.

Notification Confirmation

 **NOTE:** No phone notifications are sent if a day is "closed" within a multiple-day absence (even if it's the first day). This most commonly happens when school is closed due to weather (i.e. Snow Day). If school could possibly be closed due to weather, it is **your responsibility** to check your local news sources for information on whether or not you should report for your job that day. Aesop will not necessarily be up-to-date with this crucial information.

Phone Notification*

Aesop can call you when you are completely removed from an absence. These calls are typically placed in the evening up to 2 nights in advance, but these calls can take place in the morning if you are removed from an absence that starts that same morning. **Phone notifications are ONLY placed when you are completely removed from an absence. Phone notifications are not made if the job is modified.**
