# Financial Aid Assistance Webinars

## Financial Aid Timeline—Know What To Do When

This 1-hour presentation will provide the starting points and web resources for effective research before, during, and after your student makes postsecondary decisions. The journey will begin before high school and end in the land of understanding choices. One thing is for certain— it is never too early to start planning for a successful higher education experience. Join Suzanne Sparrow, William McGinley, and Daniel Wray of PHEAA's PA Forward and Keystone Loan programs as they guide you along the exciting, and sometimes bumpy, road to planning for an affordable education. Knowing what to expect and to plan for it is the key, as failing to plan, is planning to fail!

## Understanding the Offer Letter & Balances

The offer letter, or financing plans, that you receive provide an idea of the costs associated with postsecondary education—but they can be confusing, as each school formats their information differently. In this 1-hour webinar, Suzanne Sparrow, William McGinley, and Daniel Wray of PHEAA will help you understand and navigate through the types of aid that are listed, what you are being offered, and identify the balances and next steps needed so you can make knowledgeable and affordable decisions. Q&A interaction is encouraged.
