## 009. NO POLICY LEFT BEHIND (NPLB)

### Section 1. Review Process

The Board of School Directors recognizes the value of regular, planned review of Board policy. There are three ways this review should occur. In each case any recommended changes/revisions/additions shall come before the Board of School Directors at a regularly scheduled meeting.

### Section 2. Review Schedule

Every year, the Board and administration shall review the Board policy sections as follows:

- Year 1 – Sections 000 and 800
- Year 2 – Sections 600 and 900
- Year 3 – Sections 300
- Year 4 – Sections 700
- Year 5 – Sections 100 and 200

An alternate review schedule may be followed by the Chair of the Policy Committee provided there is not an objection to such a schedule by a majority of the voting membership of the Board of Education, and such a schedule ensures a regular review of all policies in a timeframe which shall not exceed 5 continuous years.

### Section 3. Pennsylvania School Board Association (PSBA) Recommendations

The Superintendent shall review all policy recommendations forwarded to the district from the PSBA.

### Section 4. Other Recommendations

New policies predicated by new circumstances or needs shall be considered as appropriate. These recommendations may come from Board members, administration, or PSBA.

	<p>Section 5. <u>Responsibility</u></p> <p>The Superintendent shall schedule policy reviews and keep the Board apprised of new developments.</p>
