

DELAWARE VALLEY SCHOOL DISTRICT

SECTION: PUPILS

TITLE: HEAD LICE

ADOPTED: DECEMBER 13, 2012

REVISED: NOVEMBER 15, 2012

<p>1. Purpose</p> <p>2. Guidelines</p>	<p style="text-align: center;">209.1. HEAD LICE</p> <p>The Board is committed to maintaining a healthy environment for students and staff. To fulfill that commitment, the Board establishes this policy to provide guidelines for the prevention and control of head lice in students.</p> <p>At any time during the school year, the school nurse may examine a student for head lice. If live head lice are identified the following procedures shall be implemented:</p> <ol style="list-style-type: none"> 1. The student will be isolated from classmates and excluded from school until treatment is concluded. 2. The parent/guardian will be immediately contacted to pick up the student. The student will not be permitted to ride the bus home, unless no other transportation is available. Special seating arrangements will be made in this case. 3. The school nurse will provide information to the parent/guardian regarding treatment. 4. The school nurse will examine the student's siblings and other close contacts. <p><u>Readmission</u></p> <p>After treatment has been completed and all live head lice have been removed from the head, the following procedures shall be implemented:</p> <ol style="list-style-type: none"> 1. The student shall not attend classes or ride the bus until examined by the school nurse. 2. After contacting the school nurse for an appointment, the parent/guardian shall accompany the student to school. 3. The nurse shall confirm that proper treatment has occurred. 4. If upon examination the student is found to have head lice or an excessive amount of nits, the student will be denied admission. (School nurse discretion will be used to determine readmission status of student.)
