

DELAWARE VALLEY SCHOOL DISTRICT

SECTION: OPERATIONS

TITLE: SUN SAFETY

ADOPTED: DECEMBER 13, 2012

REVIEWED: NOVEMBER 15, 2012

	817. SUN SAFETY
1. Purpose	The purpose of this policy shall be to aid in the protection of district students from UV exposure and the future development of skin cancer by instituting a sun safety program that reduces a student's exposure to UV radiation.
2. Guidelines	<p>The district shall:</p> <ol style="list-style-type: none">1. Provide and maintain physical and social environments that support daily sun safety efforts and that are consistent with the development of other healthful habits.2. Provide health education to students of all ages regarding the knowledge, attitudes and behavior skills that are needed to prevent skin cancer.3. Involve family members and community in sun safety efforts and education.4. Include sun safety education/requirements for all staff members with special emphasis for those who engage in outdoor activities.5. Evaluate the ongoing sun safety program on a routine basis. <p>For students who engage in extended outdoor activities, staff members will encourage the use of sunscreen, hats, and sunglasses.</p>
3. Delegation of Responsibility	The Superintendent or designee shall develop, implement and routinely evaluate this policy.
