## Junior Students Against Substance Abuse

2024-2025

I give permission for my daughter/son to participate in JRSASA. I understand that this club promotes initiatives such as Red Ribbon Week, healthy choices as well as participating in activities that will deter drug use and abuse. I also give permission for my daughter/son to ride the activity bus home. Our first meeting will be on Thursday September 26 after school until 4:30. Please listen to announcements for our upcoming meetings! If you have any questions please call Dr. Bruno, club advisor, at 570-296-3159
