## Reflections from the Principal

May has come to a close and we are getting near the end of a very awesome school year. I just want to say thank you to everyone for their hard work, patience, and understanding throughout the year. Even though we had to operate under a different set of expectations and limitations at points, it is awesome that we were able to get back to normal!

In May I was able to visit the classrooms to continue the Principal Reading Visits. We have read: Principal Reading continued. For primary grades, we read: How I Came a Pirate, Giggle, Giggle, Quack, and From Head to Toe. For the upper grades, we continued reading Charlotte's Web, Island of the Blue Dolphin, and My Side of the Mountain.

We have seen an increase in bus referrals lately. Please remind your students to follow the safety rules on the bus. Also, we have taken many mitigating steps to protect our students from the ticks. There seems to be quite a few this Spring throughout Pike County. Please make sure your students dress appropriately and check students for ticks daily.

This Memorial Day, please take time to remember all those that have served our country to keep us safe and free.

## Clearance Reminder:

If you wish to volunteer during the school year, you must have up-to-date clearances. This is a Commonwealth Law. For a list of the clearances and the procedures on how to

## PTA

Thanks to the PTA for putting on our Spring Fling Dance. We had over 400 people attend. Remember, all new members are welcomed. We have a lot of events that need volunteers to help run. Please volunteer so we can still have these events next year

## End of Year Activities

The end of the year is jammed packed with events. Keep an eye on the calendar and be on the lookout for reminders. I do not want anyone to miss out on anything!!
