

Current DVSD Family with Sibling to Add to your Existing PowerSchool Parent Portal Account

Scenario B (As listed in the Parent Letter)

- You have an ID and PW that you currently use to access the PowerSchool Parent Portal to view information about your child/children **AND** you have an additional child /children who will be attending DVSD this school year. **You must use the Access Log In ID and PW contained in the letter you received for the sole purpose of adding a child/children to your account in the PowerSchool Parent Portal.** You will continue to use your existing Parent Portal ID and PW, the one that you created last year, to view information about your child/children.

1. Log in to PowerSchool <https://powerschool.dvsdedu.org/public>.
2. Go to *Account Preferences* under the Navigation tool bar on the left hand side of the page.

3. Click on the *Students* tab.
4. Click the *Add* button.
5. Enter each student's name, Access ID, and Access Password listed in your letter. Use the pull down menu to designate YOUR relationship to the student. *Repeat this step for each child who started new in DVSD during 2016-2017.*
