

Tyler Masker, a senior at Delaware Valley High School, has proven to be a standout member of the Scholastic Bowl team. In November the team finished 1st out of 20 teams at the Northern Pennsylvania History Bowl Championship held at Wyoming Valley West High School. He is also the chairman of the Political Awareness Club and a member of FBLA, Model UN and National Honor Society. “Being involved has given me the skills to be ready for the real world,” Masker said. “They have also given me the opportunity to compete at the highest levels in both state and national competitions.” Masker helps with local highway clean-ups, food pantries and various community dinner events. “I am a realist; I want to be remembered for whatever impact I had on my fellow students and the teachers I had the opportunity to learn from in my time at DV,” he said.

Sophomore wrestler Matt Wagner is a standout student athlete at Delaware Valley High School. He is a consistent high honor roll recipient and a 2nd place finisher at Freshman Nationals wrestling tournament. He also finished 2nd at Districts. Wagner is also a varsity football player as a sophomore. “Working as a team can accomplish many things in life. My wrestling coach (Mr. Lou DeLauro) stresses “we” in the sport not the “me,”” he said. He also volunteers with multiple events for the wrestling and football. “Many people can be helped and are grateful for things that you do for them,” he said. He hopes to be remembered as a generous, kind, and honest person.
