## FRESHMEN AND NEW STUDENT ORIENTATION SUMMER 2020

Dear Parents/Guardians:

Welcome to Delaware Valley High School! We are thrilled to share the 2020-2021 academic school year with you and your student. We would like to invite your student to our Freshman/New Student Orientation on Tuesday, August 25, 2020. DV's Freshman/New Student Orientation is an exciting and important event for your student's successful transition to the high school.

Due to current PA Department of Health and CDC guidelines, orientation will look a little different this year. We recognize the importance of students being able to tour the school building and become acquainted with their locker and classroom locations prior to the first day of school. Students are invited to come to DVHS anytime between 8:00 a.m.- 2:00 p.m. on August 25<sup>th</sup>. Students should enter the main entrance of the high school and are required to wear a mask while they are in the school building. Parents are not permitted to tour the building with their student. The duration of the tour will be dependent on your student as it is self-guided with staff available to assist where needed.

Student involvement is an important part of a well-rounded and successful high school experience; DVHS has an abundance of co-curricular clubs, sports teams, and volunteer opportunities to meet the interests of all students. One goal of this orientation is for students to familiarize themselves with everything the high school offers as well as to help them get comfortable navigating the campus prior to the first day of school.

Please refer to the DVHS page on our school district's website ([www.dvds.org](http://www.dvds.org)) to access the Freshman Orientation PowerPoint presentation. There you will find additional information including student opportunities and accomplishments as well as a list of staff members who will be an integral part of your student's high school career.

We look forward to seeing your student at orientation and working with you and your family during the upcoming school year. If you have any questions regarding orientation, please contact Mrs. Kelly at (570) 409-2005. Enjoy the remainder of your summer!

Sincerely,

Dr. Nicole Cosentino  
Principal
