Instructions for accessing Schoology

Schoology is the primary means for DVHS students to access all course information.

If you are using a Chromebook from the High School, please Login to the Chromebook using your studentID#@dvsdedu.org and your password from last year.

If you do not remember your password, please email the following secretaries so they can request a password reset:

9th & 10th Graders – Sue Kelly - skelly@dvsd.org

11th & 12th Graders – Joyce Batista-Parker – jbatisa-parker@dvsd.org

If you are using another device (desktop, laptop, smartphone, etc.), be sure to log out of all other Google accounts on the device.

Using a Chrome web browser, type in the link dvsd.schoology.com and use your school email and password to log into Schoology.

For ALL users, once logged into Schoology you should see all class information, including **ZOOM LINKS** for each of your classes.

As a reminder you can still utilize Gmail so if you have an issue email a teacher. Your email is studentID#@dvsdedu.org
