

DDMS Engineering Club

Permission Slip

Engineering Club is open to all 6th, 7th, and 8th grade students at DDMS. This year we will be designing and building wooden toys, as well as 3D printed toys. All toys will be donated to the Toys for Pike County Kids program. We will be using power tools to build some of these toys, so all power tool safety will be covered on the first day (11/6). If you miss the safety day, you WILL NOT be allowed to participate in the club. The club will be limited to the first 24 students to return the signed paperwork to Mr. Comunale in room E6.

All students that sign up will be expected to **ATTEND and **WORK** at all of the following meeting dates : **11/6, 11/7, 11/8, 11/13, 11/14, 11/15.**

**You must take the 5:00 late bus or be picked up promptly at 5:00.

Please sign and return the bottom portion of this paper and your Drug and Alcohol Testing Policy form to Mr. Comunale in room E6.

I give permission for my child to attend Engineering Club. My child will take the 5:00 late bus home or I will pick my child up promptly at 5:00.
