Dear Parents,

Welcome to a new school year at Dingman- Delaware Primary! It is my pleasure to express my sincere eagerness to work with you and your child.

It is so exciting to welcome a new school year! We aim to foster a culture of success at the Primary School. Parents are encouraged to be actively involved as your help is essential to our success. As a school "Educating for Life's Journey," we will make a difference in the lives of the children we teach. We hold high expectations for ourselves and for our students. With your support and cooperation, we will provide a quality education that will meet the needs of all students in our school.

We have a wonderful staff in place that is prepared for total academic growth and social development focus for the benefit of our students. Although a few faces have changed, the commitment to excellence in education remains the same.
