

What is 4-H? 4-H is COMMUNITY!

4-H is a community of young people around the world who are learning Leadership, Science, Agriculture, Citizenship and Life Skills. Kids complete hands-on projects in a positive environment where they receive guidance from adult mentors. They are also encouraged to take leadership roles and complete community service projects. Kids experience 4-H through project and community clubs, school enrichment, afterschool programs, camps, and special interest groups.

For information about Pike County 4-H Clubs and events contact:
