New

Did you know that loneliness is more common in adolescence than any other age group? In fact, 25%, or one in four teenagers ages 15 -18 have reported feeling lonely. This week, everyone is invited to participate in **"Start with Hello"** week, a national **call-to-action** that encourages schools to create a **sense of belonging** and **limit social isolation**. Be the person who can help make a difference in another person's life. It's as easy as starting with a simple "hello." Wear Green this Wednesday to show unity and solidarity in the fight against social isolation.

Pit band rehearsal will meet in the high school band room after school today.

Dual Enrollment registrations are due to Mrs. Adelfio in the 11/12 administrative office by Wednesday, Sept 17th. Please be sure to complete your full registration online. Any questions, please see Mrs. Blaut or Mrs. Ross in the Guidance offices.
