

DV Foundation

The purpose of this foundation is to establish a broad-based, non-profit community organization, whose purpose is exclusively educational and charitable and is to secure resources from individuals, corporations, community organizations and foundations to be distributed to support programs for the benefit of the students in the Delaware Valley School District, which will lead to the overall improvement of the quality of education and an enhancement of community support for public education.

Our first mission is to enhance the quality of the Delaware Valley athletic facilities on the Main Campus and to add to our scholarship funds. Additional information and design plans can be found on our Website.
