

The screenshot shows the Delaware Valley School District website. The top navigation bar includes links for HOME, OUR DISTRICT, LEADERSHIP, ACADEMICS, DEPARTMENTS, STAFF, CAREERS, and OUR SCHOOLS. Below this, the breadcrumb trail reads HOME / Departments Transportation. The main content area features a map titled "Delaware Valley School District - School Map" with a red circle around the map icon and a black circle around the expand icon. The map displays various school districts in different colors: red (e.g., Lords Valley, Pecks Pond, Birchwood Lakes, Wild Acres), yellow (e.g., Milliford, Montague Township), and green (e.g., Milliford, Montague Township, High Point State Park). A sidebar on the right lists transportation options: OVERVIEW, REQUEST FOR BUS SERVICE, AFTER SCHOOL ROUTE INFORMATION, AFTER SCHOOL BUS ROUTES, and DISTRICT BOUNDARY MAP. The footer contains social media icons and links for District Home, Our Schools, Translate, My Account, Sitemap, and Site Manager.

To get to this page, hover over Departments, then click Transportation, then click District Boundary Map - <https://www.dvds.org/Page/5289> (direct link)

Click the Red circle – this will show you the schools associated with each color

Click the Black circle – this will expand the map and allow you to enter a physical address and it will tell you the school your children will attend
